1 CREATE YOUR ACCOUNT

2 ACTIVATE CONNECT ONE

3 ACTIVATE CONNECT PLUS

4 VEHICLE ASSOCIATION

1 CREATE YOUR ACCOUNT.

Shortly prior to vehicle delivery, you will receive an email from PEUGEOT to start your activation.

Click on the email link to go to the **Peugeot Services Store**.

Add your personal details.

And accept the Terms & Conditions.

Check your inbox, open the confirmation email and click on the button to activate the account.

Now you' account is active.

If you did not receive an email, easily **create your account from the MyPeugeot app.** Once you install it, add your personal details, then your **Vehicle Identification Number (VIN)*** and it's enough.

*You can find the VIN number on the vehicle registration certificate.

2 ACTIVATE CONNECT ONE.

YOUR BUILT-IN ASSISTANT.

To activate your connected services from the MyPeugeot app, go to the **"MENU"** tab, then click on **Connected Services**.

You will find these cards: **Connect ONE** and **Connect PLUS**. Click on **"DISCOVER"**.

Select **Connect ONE** and push the **"ACTIVATE NOW"** button.

Follow the steps to finalize the activation.

You'll be redirected to a confirmation page.

And receive a confirmation email.

You can activate **Connect ONE** also by logging in with your account on the **Peugeot Services Store** portal.

3 ACTIVATE CONNECT PLUS.

TO GET THE MOST OUT OF YOUR VEHICLE.

BY ACTIVATING CONNECT PLUS, YOU ALSO ACTIVATE CONNECT ONE.

Go back to the Connected Services section in the MyPeugeot app.

You will find these cards: **Connect ONE** and **Connect PLUS** packs. Tap on **"DISCOVER"**.

Select **Connect PLUS** and push the **"ACTIVATE NOW"** button.

Accept the Terms & Conditions.

You'll be redirected to a confirmation page.

And receive a confirmation email.

Some **Connect PLUS** services can take a **few days** to activate.

You can activate **Connect PLUS** also by logging in with your account on the **Peugeot Services Store** portal.

4 VEHICLE ASSOCIATION.

FOLLOW THESE STEPS IN THE MYPEUGEOT APP.

Go on board your vehicle and turn the engine on. Access the MyPeugeot app.

An in-app banner will ask you to perform it steps. Click on it.

Accept the Terms & Conditions and proceed.

Enter your phone number and the code you'll receive via SMS.

Now that your phone number is set, create a 4-digit security code.

You'll receive a second confirmation code via SMS.

Enter it and confirm your 4-digit security code.

NOW, PERFORM THE LAST STEP ON BOARD.

OR

4 QR CODE SCANNING.

If your vehicle supports it, use the MyPeugeot app to generate a QR code on the on-board screen.
If your vehicle doesn't support it, **jump to Bluetooth Association**.

On the MyPeugeot app, click on **"START"** to initiate.

Then tap on the **"CAR STARTED, CONTINUE"** button.

Scan the QR code displayed on the head unit.

Wait for the confirmation screen to appear on the mobile app.

Make several trips to ensure your connected services activate successfully.

4 BLUETOOTH.

MAKE SURE BLUETOOTH IS ACTIVE AND VISIBLE ON YOUR PHONE.

Follow the procedure on your vehicle infotainment system to activate it and your phone.

On the MyPeugeot app, tap **"START"** to begin.

Now tap on **"PAIR"**.

Follow the in-app instructions to complete a successful pairing.

Once Bluetooth connection is completed, tap on **"CONTINUE"**.

Make several trips to ensure your connected services activate successfully.
